About WPfoss

WPfoss Limited is a dynamic digital agency based in Nairobi, helping businesses thrive online through professional websites, online stores, lead generation systems, and M-Pesa integrations. We believe in empowering our clients and our team with smart, practical solutions that deliver results.

Position: Web Developer Intern

Overview

We're looking for a committed Web Developer Intern to join our team for a hands-on learning experience in modern web development. This role will expose you to real-world projects using WordPress, WooCommerce, Brizy, and other tools, with mentorship and tutorials provided to help sharpen your skills and accelerate your growth.

Key Responsibilities

- Assist in building and maintaining WordPress and WooCommerce websites.
- Work closely with the design and content teams to implement new features.
- Support troubleshooting and fixing website issues.
- Participate in team training, tutorials, and internal mentorship.
- Contribute to UI implementation using Brizy and front-end technologies.
- Submit daily progress reports and document technical learnings.

Qualifications & Skills

- Basic knowledge of WordPress, WooCommerce, HTML, CSS, JavaScript, and PHP.
- Familiarity with website builders like Brizy is a bonus.
- Curious, eager to learn, and solution-oriented.
- Strong time management and communication skills.
- Ability to work independently and meet deadlines.

Internship Terms

- **Location:** Fully remote
- **Working Hours:** 9:00 AM – 5:00 PM
- **Duration:** 3 months
- **Probation:** 1 month
- **Performance Review:** At the end of the internship, performance will be evaluated and opportunities for continued engagement may be discussed.

Important Notes

- **Confidentiality & Ethics:** Interns must adhere to WPfoss's confidentiality policy and demonstrate professionalism at all times.
- **Tools & Equipment:** You'll need your own laptop and a reliable internet connection. WPfoss does not provide equipment during internships.
