AI Automation Internship Opportunity at WPfoss

Remote

<https://wpfoss.com>

+254 722 334 188 | hello@wpfoss.com

Overview

We're seeking an AI Automation Intern to assist in creating workflows that automate internal operations, data processing, and client-facing systems. You'll gain hands-on experience with automation tools and emerging AI technologies.

Key Responsibilities

- Build and test automation flows using tools like n8n.
- Support integration of AI tools for reporting, customer support, and content workflows.
- Document automation processes and maintain standard procedures.
- Troubleshoot errors and optimize workflow efficiency.

Qualifications & Skills

- Basic understanding of automation tools and AI workflows.
- Interest in productivity, logic, and systems optimization.
- Strong documentation and analytical skills.
- Reliable laptop and internet connection.

Internship Terms

- **Location:** Fully remote
- **Working Hours:** 9:00 AM – 5:00 PM
- **Duration:** 3 months
- **Probation:** 1 month
- **Performance Review:** At the end of the internship, performance will be evaluated and opportunities for continued engagement may be discussed.

Core Values

At WPfoss, we work guided by values that define how we operate:

- **Candor:** We communicate with honesty, clarity, and respect.
- **Collaboration:** We win as a team by helping each other succeed.
- **Innovation:** We embrace new ideas and technologies to stay ahead.

Important Notes

- **Confidentiality & Ethics:** Interns must adhere to WPfoss's confidentiality policy and demonstrate professionalism at all times.
- **Tools & Equipment:** You'll need your own laptop and a reliable internet connection. WPfoss does not provide equipment during internships.

Application Instructions

Apply through our website: <https://wpfoss.com/interns/>

Fill the form and wait for a response from our team.
