Overview

We're looking for a creative Graphic Design Intern to assist in producing high-quality visual assets for our brand, clients, and social media platforms. You'll gain experience working with design systems, brand guidelines, and content production workflows.

Key Responsibilities

- Design marketing materials, web graphics, and social media visuals.
- Collaborate with content and web teams to align design with messaging.
- Assist in creating brand kits and presentation layouts.
- Optimize graphics for print and digital use.
- Participate in creative brainstorming and feedback sessions.

Qualifications & Skills

- Proficiency in Canva, Figma, or Adobe Creative Suite.
- Understanding of layout, color, and typography.
- Strong attention to detail and visual consistency.
- Time management and communication skills.

- Willingness to learn and experiment with design trends.

Internship Terms

- **Location:** Fully remote
- **Working Hours:** 9:00 AM – 5:00 PM
- **Duration:** 3 months
- **Probation:** 1 month
- **Performance Review:** At the end of the internship, performance will be evaluated and opportunities for continued engagement may be discussed.

Core Values

At WPfoss, we work guided by values that define how we operate:

- **Candor:** We communicate with honesty, clarity, and respect.
- **Collaboration:** We win as a team by helping each other succeed.
- **Innovation:** We embrace new ideas and technologies to stay ahead.

Important Notes

- **Confidentiality & Ethics:** Interns must adhere to WPfoss's confidentiality policy and demonstrate professionalism at all times.
- **Tools & Equipment:** You'll need your own laptop and a reliable internet connection. WPfoss does not provide equipment during internships.
